Indore Greens

Indore Greens. The future of Indore is here.

A mere 2 kms from the Indore airport, and on the main road connecting Pithampur SEZ to the new Central Business District (CBD) in Vijaynagar through the proposed Super Corridor, a new Indore is taking shape. An Indore which combines exclusivity with luxury, which blends lush nature with world-class amenities, and which inspires a deep feeling of bliss. **We call it Indore Greens.**

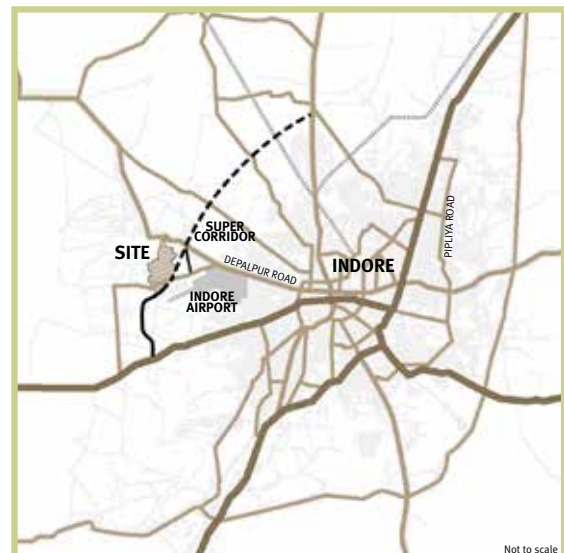

Contemporary living in the heart of Indore.

A host of benefits for its residents:

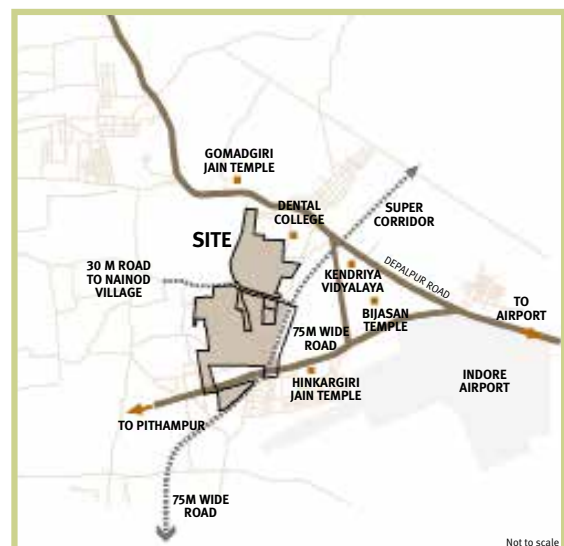

- Located at the junction of the Economic and Super Corridor that will have Commercial projects like Software Technology Park, Offices, Hotels, Malls, Trade Centre, Educational Institutes and other developments around it.
- Located mere 2 Kms. from existing airport and 1.5 Kms. from the newly developed international terminus.
- Strategically located between Hinkargiri and Gomadgiri Jain Shrines (significant locations for the Jain community of the city), Bijasen temple and a few minutes away from the important hubs of the city.
- Master planned by Peridian Asia, landscape architects from Singapore, the township introduces precinct concept to provide perfect blend between community living and individual lifestyle and attitude.
- A fine mix of beautifully landscaped gardens and modern homes gives one space to relax and a sense of belonging.
- With ample ground water table and piped water connection the township is equipped with modern techniques of wastewater management, STP plant, rainwater harvesting, power back up & adequate parking.
- Indore Greens has received silver grading from Ministry of Environment and Forest (GOI).
- The township has all the security features of a gated community with all the facilities like School, Health Centre, Business Hotel, fitness zone, Shopping Mall, Club and more, just a walk away from home.
- The project is approved by SBI, LIC, and other financial institutions thereby facilitating easy finance.

Development planned around the Super Corridor

- Software Technology Park
- Electronic Complex
- Star Hotels
- Corporate Offices
- Shopping Malls and Multiplexes
- Knowledge based Industries
- Educational Institutions
- Convention and Trade Centre
- Export Processing Zones
- Sports Complex
